IDENTITY

If this corporate identity could show any more motion, I'd consider it a power source. Its design reflects KinetiComm's name, vitality and energy. And it does it simply: through movement and color. The result? A vibrant buzz in the marketplace.

{ Selectron Technologies POCKET FOLDER & INSERT SHEETS

Being able to create a consistent look across all of Selectron's marketing pieces was a wonderful challenge. Sure, they engaged the viewer, but they also brought prospects a few steps closer to seeing, understanding, and believing what Selectron Technologies is all about. This capabilities package is versatile, as Selectron has the ability to customize their product inserts, giving them a workable piece that strongly states their capabilities and professionalism.
